

SPACE EXPLORER VIP PASS

The goal of any space program is to explore new worlds and be the first to go where no one has gone before. With your purchase of the Space Explorer VIP Pass, you too can be the first to explore many of the exhibits during our space adventure.

Your VIP experience will allow you special access to the Fly Me To The Moon Raffle Room, early access to the Galaxy of Stars Competition Room, and reserved seating to ensure a close encounter at the Galactic Designer Fashion Show. There may even be a few more surprises; after all, you never know what to expect on a space mission.

Of course, every astronaut that purchases a Space Explorer VIP Pass will receive a special gift that recognizes their support and bravery for being an important part of this mission. Don't miss out on being part of the excitement!
