

Volunteers

No Convention can be successful without the help of our many volunteers. Volunteering is one of the best ways to experience the full scope of the Convention. You can participate "behind the scenes" and experience what it takes to host a Convention while making new friends. Volunteers will receive a specially designed identification so all can easily know you are there to help this Convention run smoothly! Please consider helping in any areas you may wish.

Be sure to send this form in even if you have contacted a Volunteer Chair or another committee chair directly; this will help keep track of where volunteers are still needed.
